

Transforming HR with Next-Level Business Know-How!

 | The RBL Group

Simulation-Based Business Acumen workshop

Achieve success with an interactive program that utilizes simulations to integrate business acumen, strategic planning, a focus on results, and financial expertise.

Simulation-Based Business Acumen

5 - 6 November 2024
Virtual, SGT

PROGRAM HIGHLIGHTS

The Outside-In Context- The Shift of Drivers of Market Value:

Examine the evolving landscape and how external factors influence market value.

Aligning the outside-in with the organization:

Establish the vital link between capabilities and business strategy.

Strategic Mastery: Crafting Your Path to Business Success:

Utilize a business simulation to understand the essential components in strategy formulation.

Navigating company dynamics for success:

Establish the business link across key departments in the decision-making process.

Accurate interpretation of financials to gauge strategy success:

Evaluate business performance indicators to increase return on equity.

OBJECTIVES

Through the simulation rounds, debrief sessions and exercises, participants will be empowered to:

- Develop a global, integrated and long-term business vision.
- Experiment the interdependence of variables and business areas.
- Learn how to manage tensions among Profitability, Growth, Risk and Sustainability.

REGISTRATION COST
