# How will you lead the future of business?

In today's fast-paced world, effective leadership is crucial. Organizations need leaders who can overcome challenges and inspire their teams. The "Accelerate Leadership Potential" (ALP) course, created by global experts Dave Ulrich and Norm Smallwood, addresses this need.

ALP is designed for new and emerging leaders, as well as high potentials looking to enhance their skills and take on greater responsibilities. With businesses facing unprecedented changes, the need for adaptable, high-performing leaders is greater than ever. This course helps develop the skills to foster a culture of excellence and continuous improvement.

## Program Timeline:

Join emerging leaders from various companies for two intensive days in Singapore. You'll engage in robust learning sessions led by RBL faculty, who will introduce essential models, frameworks, and practical tools for leadership excellence in the post-Covid and digital era. The program is designed to facilitate sharing and learning of best practices among participants.
